ALBERTA FALL CONFERENCE 2018

ADVANCED RESPIRATORY PROTECTION TRAINING

Presented by 3M

Description:

This course will outline the requirements for managing a respiratory protection program. 3M has taken their standard course and customized it for the AIHA Alberta Local Section.

Come and learn, or refresh your knowledge, about respiratory protective equipment (RPE), fit testing, RPE programs, and other best practices when managing respiratory protection in the work place.

INTERACTIVE CONFINED SPACE AND RESCUE EQUIPMENT

Presented by 3M

Description:

After the RPE Training, participants will have an opportunity to get involved in an interactive program around confined space and rescue equipment. This will be conducted the new 3M facility and will provide real-world applications to confined space and rescue.

All attendees will receive a certificate of attendance for this PDC from 3M.
